

Power Product Technologies, Inc.

Industrial Hose

Acid & Chemical-Composite and Rubber
 Air and general purpose
 Anhydrous ammonia
 Concrete pump
 Ducting-plastic, rubber
 Fire hose (single/double)
 Food handling (3/4" to 5")
 Food processing (internal expanded sanitary assemblies) FDA, USDA, 3A
 Materials handling (sandblast, etc.)
 Metal hose
 Mining

Oilfield - Rotary/Vibrator
 Oilfield - Mud Pump Suction & Discharge
 Petroleum-Composite and Rubber
 Plaster & Grout
 Silicone (sanitary)
 Steam
 Teflon (corrugated/smooth), stainless couplings
 Thermoplastic-FDA, USDA approved
 Water S&D
 Water Jetting
 Welding/Fabrication

Hydraulic Hose

Rubber
 Teflon
 Thermoplastic

Fittings/Tubing

Black Iron fittings
 Brass fittings, valves, copper tubing
 Bulk banding (carbon, stainless)
 High pressure swivel joints
 Hydraulic tubing (carbon, stainless steel)
 Industrial Hose Couplings
 Metric conversion adapters
 Metric fittings, tubing and tools
 Pipe fittings
 Quick disconnects-hydraulic, pneumatic, steam
 Stainless full flow food & beverage fittings
 Tube fittings (carbon, stainless steel)
 Worm gear clamps

Miscellaneous

Air line filters
 Gauges-All styles
 Air pressure regulators
 Hose reels-automatic, aviation, electrical
 Air line lubricators
 food processing, industrial
 Automotive AC assemblies (R12, R134a)
 Lubrication equipment/Alemite
 Ball valves
 Quick opening gate valves (2" -4")
 Band-It Ultra Lock clamping system
 Oilfield Fittings and Valves
 Blow guns
 Power Steering Assemblies
 Flexible metal hose & connectors

1/4" to 12" PERMANENT HOSE COUPLING CAPABILITY

Mag Particle Testing
 Ultrasonic Testing
 Hydrostatic Test Facilities to 35,000 PSI
 Complete TIG Welding Shop
 Tube Bending and Fabrication
